(923. Tel F.)

GOVERNMENT HOUSE.

12. 5. 24

My dear Maharajah Sahab.

I do hope you'll be able to come to the polo this afternoon to see the Guraraj's team win the competition, & give us a last opportunity of shaking you by the hand.
I hope too you may be able to come to the ball but fear that you Highness does not care much about such frivolities!

Yours sincerely
Willingdon
